The superintendent plus one other authorizing official from the district are required to sign the grant contract in the signature blocks on the last page. An electronic copy of the signed document will be attached to your WebGrants grant file for your reference.

It is important that you understand all parts of the contract. I'd like to call your attention to the following sections that address the most frequently asked contract questions:

**Section C:** The **effective date** of this grant contract is stated in this section. Grantee may not begin proposed project activities or expend any grant funds before the effective date.  
**Section D: Payment** will be issued by the state during a three-week window, September 20 – October 10. Payment is made by the State of Minnesota and the timing is not within the Arts Board's control. For grants greater than \$25,000, an initial payment of 95 percent will be made by the payment date; the final 5 percent of the grant will be payable upon receipt and approval of the final report.

**Section F: Contract Amendments** are required for significant changes to the project or budget and must be approved by the Arts Board prior to making those changes. Be sure to contact me if you have any questions or wonder if a contract amendment might be required.

**Section H: Acknowledgment.** You are required to use the text and logo(s), described in section H, to acknowledge your grant. Logos are available on the Arts Board Web site at <http://www.arts.state.mn.us/grants/support.htm>. I encourage you to take every opportunity to acknowledge this award in print, in person, and electronically. Please be sure to share this requirement with your communication staff and underscore the importance of using the proper acknowledgement language and logos in your program materials. The Arts Board may impose consequences if grants are not properly acknowledged.

**Section I: Reporting.** The final report for this grant will be due on September 30, 2020, and will be completed in WebGrants. A preview of the forms and questions is available in WebGrants, in the Status Report component of your grant record under the Instructions section, labeled FY 2020 Final Report Forms. You will be notified when the report forms are available for your use. Grants over \$50,000 will have a monitoring visit conducted by staff midway through the project period, and your use of grants funds will be verified through a financial reconciliation process at the end of the project period.

FISCAL YEAR 2020  
GRANT CONTRACT  
ARTS LEARNING  
Grant Number 87139

Legal name Independent School District 271

This grant contract is between the State of Minnesota, acting through its Board of the Arts (referred to as the "Board"), and Independent School District 271 (referred to as the "Grantee").

Whereas, Minnesota Statutes 2018, section 129D.04, authorizes the Board to distribute grants, loans, and other forms of assistance for artistic activities; and

Whereas, the Minnesota State Legislature in the 2019 First Special Session, chapter 2, article 4, section 2, subdivision 3, appropriated \$32,500,000 from the arts and cultural heritage fund to Minnesota State Arts Board for fiscal year 2020 arts grant programs and services; and

Whereas, the Minnesota State Legislature in the 2019 First Special Session, chapter 10, article 1, section 24, subdivision 1, appropriated \$8,241,000 from the State's general fund to the Minnesota State Arts Board for fiscal year 2020 arts grant programs and services; and

Whereas, the United States Congress, acting through the National Endowment for the Arts, has awarded \$790,100 to the Minnesota State Arts Board for fiscal year 2020 for arts programs and priorities in Minnesota;

Whereas, the Board has selected the applicant as a Grantee in the Arts Learning grant program;

Therefore, the Board agrees to award to the Grantee a fiscal year 2020 Arts Learning grant in support of eligible costs as described in the Grantee's Application; and

The Grantee represents that it is duly qualified and agrees to perform all services described in this grant contract to the satisfaction of the Board. Pursuant to Minnesota Statutes §16B.98 subdivision 1, the Grantee agrees to minimize administrative costs as a condition of this grant; and

Therefore, the Board and Grantee agree to the following terms and conditions, and further agree that Grantee's failure to comply with any of the requirements of this contract may jeopardize its eligibility to apply for or receive future Arts Board grants.

**A. PURPOSE**

The purpose of the Arts Learning program is to engage individuals of all ages in the creation, performance, and appreciation of the arts in order to develop creativity and acquire knowledge, understanding, and skills in the arts.

**B. DEFINITIONS**

For the purpose of this grant contract the following terms shall have the meanings.

"Arts and cultural heritage fund" means the special fund, created by the Minnesota Constitution, article XI, section 15, proceeds of which may be spent only for arts, arts education, and arts access and to preserve Minnesota's history and cultural heritage.

"Application" means the official set of forms supplied by the Board and submitted by the Grantee, including any required attachments, which is stored in WebGrants and incorporated into this contract. To open the Application, select Login to

WebGrants from the front page of the Board's Web site at <http://www.arts.state.mn.us/>, enter log in information, select My Grants and the title of the grant that matches grant number listed on page one of this grant contract.

"Artist" means an individual artist or arts organization that will be providing the art experience and whose name is listed in the application.

"Authorizing official" means the individual delegated authority to enter into contracts and accept grants for the Grantee's organization (e.g. president or comparable officer, executive director, board chair).

"Primary contact person" means the individual with delegated authority to act for the Grantee's organization on grant activity matters such as signing off on final reports and routine contact with the Board.

"Project" means the proposed activities for which these funds were awarded, in the Grantee's application.

"Event" means a performance, exhibition, screening, workshop, class, or any other activity intended for an audience or group of participants.

### C. TERM OF GRANT CONTRACT

**Effective date:** This grant contract shall take effect on September 1, 2019, or the date the Board obtains all required signatures under Minnesota Statutes §16B.98, subdivision 5, whichever is later. Per Minnesota Statute §16B.98, subdivision 7, no payments will be made to the Grantee until this grant contract is fully executed.

The Grantee must not begin work, and may not expend any grant funds, under this grant contract until this grant contract is fully executed.

**Expiration date:** This grant contract shall end on August 31, 2020, or the date that all obligations have been satisfactorily fulfilled, whichever occurs first.

All eligible costs must be incurred between the effective date and the expiration date of the grant contract.

### D. CONSIDERATION AND PAYMENT

The State will pay for services performed by the Grantee under this grant contract as outlined below.

The total obligation of the State for all compensation to the Grantee under this grant contract will not exceed \$26,469.

Grant contracts that are fully executed and are \$25,000 or less will be payable in full on September 20, 2019.

Grant contracts that are fully executed and greater than \$25,000 will be payable in two installments as follows:

- 95 percent of the total grant will be payable on September 20, 2019.
- The final 5 percent will be payable upon the Board's receipt and approval of the Grantee's final report.

Allow three weeks for processing of scheduled payments.

The Grantee agrees to return to the Board all funds not spent at the end of the grant period.

After a grant has been awarded, it is the policy of the Board to conduct monitoring visits for Grantees that receive a grant that is greater than \$50,000. Monitoring visit reports will be considered in subsequent application reviews and will be a factor in determining future grant awards.

The Board advances payments on all projects. The justification for making advance payment is as follows: The Board uses a stringent, competitive review process to determine which projects to fund; this process ensures that there will be no substantial losses to the State. The agency has had a long-standing tradition of advancing payments to Grantees, however, in keeping with advice from the Office of the Legislative Auditor, the board reserves 5 percent of the total grant (for awards greater than \$25,000), and does not release those funds until the Grantee submits a final report. Advance payments ensure that projects can begin immediately upon grant contract execution, therefore increasing the amount of time the Grantee has for successful completion of project objectives. Advance payments reduce the financial burden a Grantee might suffer waiting for the State to process reimbursements. A rigorous, citizen-driven review process and a practice of making advance payments enable the Board to make the most efficient use of its administrative resources.

### Federal Funds

If no federal grant number, CFDA number, and federal fund amount are listed in this section then no federal funds were used to fund this grant contract. Payments under this grant contract will be made from federal funds obtained by the Board from the National Endowment for the Arts, awarded June 13, 2019, to support partnership agreement activities, federal grant number \_\_\_\_, and CFDA number . The amount of federal funds included in this grant contract is \$0. The Grantee is responsible for compliance with all federal requirements imposed on these funds and accepts full financial responsibility for any requirements imposed by the Grantee's failure to comply with federal requirements.

### E. GRANT ACTIVITIES AND USE OF GRANT FUNDS

The Grantee acknowledges that these funds are subject to certain legal restrictions and requirements and that the Grantee is responsible for compliance with these and all other relevant state and federal laws and regulations promulgated pursuant to governing these funds.

The Grantee shall use the funds received under this grant contract only for the eligible costs of the project as described in the approved project description in the Grantee's Application.

Eligible costs shall be those costs directly incurred by the recipient in actual conduct of the project during the effective term of this grant contract. Eligible costs must be directly related to and necessary for completion of the project.

In addition to the above conditions, the Grantee agrees that funds awarded through this grant contract shall be used to:

1. Supplement and not substitute for traditional sources of funding. The Board defines "traditional sources" of funds received from the State of Minnesota's general fund or its capital investment budget.
2. Support projects or programs that have measurable outcomes, and a plan for measuring and evaluating the results.
3. Support projects, programs, or activities that take place within the state of Minnesota.
4. Only support administrative, indirect, or institutional overhead costs that are directly related to and necessary for the proposed project.

The Grantee agrees that all of the following are true:

1. The Grantee has no overdue reporting requirements as specified in a previous contract with the Board.
2. The Grantee is in compliance with any additional active contract with the Board.
3. The Grantee is a tax-exempt organization; a public agency such as a unit of local, state, or tribal government; or an unincorporated group that has a formal written agreement with a Minnesota 501(c)(3) tax-exempt or government unit fiscal agent; and is located and operating with the state of Minnesota; and employs at least one paid individual, in a contract or salaried position, to provide administrative and/or artistic oversight of the project.

--or--

The Grantee is a professional artist, at least 18 years of age, a current Minnesota resident for a minimum of six months who will remain a resident throughout the contract period, and a United States citizen or individual who has attained permanent resident status.

### F. AMENDMENTS

Amendments to this grant contract shall be in writing using the contract amendment form available from the Board and shall not be effective until it has been executed and approved by the same parties who made the original contract, or their authorized successors. The Grantee agrees to submit any request to amend the contract to the Board during the term of the contract (see section C. Term of Grant Contract), and not later than 30 days prior to making any desired changes in the contract activities. Changes that will significantly alter proposed activities or budget must be submitted and approved in advance.

Grants that are larger than \$50,000 will be reconciled. Grantees will be asked to provide documentation and more detailed information so that the Arts Board can verify how grant funds were spent.

The Grantee agrees to return to the Board all funds not spent on the specific project for which these funds were awarded within 30 days of project completion.

These obligations survive the expiration date of this grant contract.

## J. RECORDKEEPING, AUDITS, AND MAINTENANCE OF RECORDS

1. Provide for accurate, current, and complete disclosure of the financial results of the grant activities in accordance with Board reporting requirements;
2. Maintain records that identify adequately the source and application of funds for grant supported activities;

If a Single Audit is required, the Grantee agrees to forward one copy to the State Auditor's Office.

Under Minnesota Statutes 16B.98, subdivision 8, the books, records, documents, and accounting procedures and practices of the Grantee or other party that are relevant to this grant agreement are subject to examination by the Board and the legislative auditor for a minimum of six years from the grant agreement end date, receipt and approval of all final reports, or the required period of time to satisfy all state and program retention requirements, whichever is later. This authority also is extended to the National Endowment for the Arts, the comptroller general of the United States, or any other duly
