RECOMMENDATION OF SUPERINTENDENT:

Approve. 

DETAILED BACKGROUND:

Minnesota's World's Best Workforce (WBWF) law requires school districts to publish a report annually that include results and progress made on the District's Strategic Plan during the previous school year.

Each year, the District publishes The World's Best Workforce Annual Report as a special issue of *School Pages*. The report is also produced as an online publication. A link to the report will be provided on school and district websites.

The Pathways Advisory Committee has reviewed and approved the curriculum content that appears in the publication. Information from this publication will be included in a required WBWF report to the Minnesota Department of Education.
