POLICY 208.1 REGULATIONS

I. PURPOSE

To establish a process for formulating, updating, and deleting Regulations.

II. GENERAL STATEMENT OF POLICY

Regulations are guidelines of how Administration will execute the related District Policy. Some Policies do not need Regulations.

Proposals for the formulation of new Regulations, for changes to existing Regulations and proposals for the deletion of existing Regulations will be subject to the following process.

- The Superintendent is responsible for ensuring that Regulations are formulated, updated, and deleted as needed.
- The Superintendent will decide if a Policy needs Regulations.
- The Superintendent will inform the School Board of new Regulations, and updates and deletions to existing Regulations.
