## **REGULATION 534            UNPAID MEAL CHARGES**

### **I.        PAYMENT OF MEALS**

Families may pay by cash, check or credit card. Cash may be sent with secondary student and paid into the NetCash Machines for deposit to the student account. Checks may be mailed or sent with the student to be paid to the school kitchen or District Food Service Office for deposit to the student's account. Payments by credit card may be done directly through PayPams.

- A. The District receives school lunch aid under Minn. Stat. § 124D.111, therefore it must make lunch available without charge to all participating students who qualify for free or reduced-price meals regardless of account balance.
- B. A student with an outstanding meal charge debt will be allowed to purchase a meal if the student pays for the meal when it is received.
- C. When a student has a negative account balance, the student will not be allowed to charge a snack item.
- D. If a parent or guardian chooses to send in one payment that is to be divided between sibling accounts, the parent or guardian must specify how the funds are to be distributed to the students' accounts. Funds may not be transferred between sibling accounts unless written permission is received from the parent or guardian.

### **II.      LOW OR NEGATIVE ACCOUNT BALANCES – NOTIFICATION**

- A. The District will make reasonable efforts to notify families when meal account balances are low or fall below zero.
- B. As a courtesy, families will be notified via phone call once the balance reaches the equivalent of three lunches. Families will also be notified by email.

### **III.     UNPAID MEAL CHARGES**

- A. The District will make reasonable efforts to communicate with families to resolve the matter of unpaid charges. Where appropriate, families may be encouraged to apply for free and reduced-price meals for their children.

- B. The District will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. Unpaid meal charges are designated as delinquent debt when payment is overdue, the debt is considered collectable, and efforts are being made to collect it.
- C. Negative balances not paid prior to the end of the school year may be turned over to an agency for collection. The collection process will follow the guidelines of Minnesota Management and Budget operating procedure 0504-01.01- Debt Collection Process and Action.
