POLICY 616 SCHOOL DISTRICT SYSTEM ACCOUNTABILITY

I. PURPOSE

To focus public education strategies on a process that promotes high academic achievement for all students and ensures community participation in decisions regarding the implementation of the Minnesota Academic Standards.

II. GENERAL STATEMENT OF POLICY

The District has established a system to uphold the requirement that students gain proficiency in the Minnesota Academic Standards, which includes the Foundational Curriculum Review Cycle. The District has also established a system to review and improve instruction, curriculum, and assessment, which includes input from students, parents or guardians, and local community members. The school district is accountable to the public and the state through annual reporting.

III. DEFINITIONS

- A. "Credit" means a student's successful completion of an academic year of study or a student's mastery of the applicable subject matter, as determined by the school district.
- B. "Graduation Standards" means the credit requirements and locally adopted content standards or Minnesota Academic Standards school districts must offer and certify that students complete to be eligible for a high school diploma.
- C. "World's Best Workforce" means striving to: meet school readiness goals; have all third grade students achieve grade-level literacy; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.

IV. ESTABLISHMENT OF GOALS; IMPLEMENTATION; EVALUATION AND REPORTING

A. School District Goals

1. The school board has established the Pathways Milestones, school district-wide goals, which provide broad direction for the District. The Pathways Milestones shall be reviewed annually and approved by the School Board. The school board shall adopt annual Pathways Milestone based on the recommendations of the Pathways Advisory Committee.
2. The Pathways Milestones must address recommendations identified with feedback from the Pathways Advisory Committee.

B. Process for Reviewing All Instruction and Curriculum Incorporated in the Foundational Curriculum Review process is analysis of the District's progress toward implementation of the Minnesota Academic Standards. Throughout this process, instruction and curriculum shall be reviewed and evaluated by taking into account strategies and best practices, student outcomes, and the work of PLCs.

C. Implementation of Curriculum

1. The Pathways Advisory Committee (PAC) shall advise the school board on implementation of the state and local graduation requirements, including K-12 curriculum, assessment, student learning opportunities, and other related issues. Recommendations of this committee shall be published annually to the community. The school board shall receive feedback from this group and shall adopt or update this policy at least annually. The Graduation Standards Implementation Committee will be comprised of the Advisory Committee for Comprehensive Continuous Improvement of Student Achievement.
2. The school board shall annually review and determine if student achievement levels at each school site meet federal expectations. If the school board determines that student achievement levels at a school site do not meet federal expectations and the site has not made adequate progress, the District shall work with the school site to adopt a plan to raise

student achievement levels.

3. The educational assessment system utilized by the School Board to measure individual students' educational progress must be based, to the extent annual tests are administered, on indicators of achievement growth that show an individual student's prior achievement. Indicators of achievement and prior achievement must be based on highly reliable statewide or district-wide assessments. The school board will utilize models developed by the Commissioner for measuring individual student progress. The school board must coordinate with MDE in evaluating school sites and continuous improvement plans, consistent with best practices.

- A. The Districts Pathways Advisory Committee of the School Board meets the requirements of Mn. Stat. 120B.11 and other relevant portions of 120B, and is the equivalent of the district advisory committee described therein. The superintendent/designee exercises supervision of curriculum development and recommends curriculum to the School Board, with input from the Pathways Advisory Committee. The Pathways Advisory Committee may also respond to requests for assistance by the superintendent/designee. Committee membership shall to the extent possible reflect the community, its diversity and the diversity of its learning sites. To the extent possible, the committee shall include parents, staff, students, Community and Administration, but parents of children enrolled in the District past or present, shall comprise at least two-thirds of its voting members.

- B. The superintendent/designee is responsible for curriculum development and for determining the most effective way of conducting research on the Districts curriculum needs and establishing a long range curriculum development program. Timelines shall be determined by the superintendent/designee that will provide for periodic reviews of each curriculum area.

- C. In developing curriculum, the District will:
 - 1. Provide for articulation of courses of study from PreK through adult.
 - 2. Identify essential standards for each subject area, course, and grade level.
 - 3. Ensure evaluation of curriculum and programs to provide feedback for continuous improvement of both.

4. Provide a program for ongoing monitoring of individual student progress.
 5. Provide for specific, particular, and special needs of all members of the student community.
 6. Integrate required and elective course standards in the scope and sequence of the District curriculum.
 7. Consider and meet all requirements of the State and Federal law and regulations.
- D. The superintendent/designee will inform the School Board of all state-mandated curriculum changes and will also recommend to the School Board discretionary changes.
- E. The superintendent/designee has discretionary authority to implement School Board Policy relating to curriculum development.

II. MEMBERSHIP

- A. Number of members
1. Each K-12 school building will nominate one citizen as a voting member of the committee. In addition, each building may nominate one additional citizen as an ex officio member. If the voting member is absent when a vote is taken, the ex officio member may cast his or her vote. Building representatives and alternates will have, or will have had, children attending that building.
 2. Superintendent/designee
 3. Curriculum Resource teachers will sit as ex officio members. Their attendance and participation will be under the direction of the Superintendent/designee.
 4. Five representatives from the following District committees (1) Early Childhood; (2) District Diversity; (1) Special Education; (1) Community Education.

- 5 Three citizens nominated and selected by the School Board, will be appointed as At Large members representing business, senior citizens or other community elements. All At Large members will have, or will have had, children attending school within the District.
6. Parents shall form not less than two-thirds of the members of the committee, in accordance with MN Statute 120B.11, Subdivision 3 and School Board policy.

B. Appointment of Members

1. Committee members will be nominated by their building principal in consultation with the PTSA or other equivalent parent organization. Nominee names will be sent to the Superintendent/designee.
2. The Superintendent/designee will prepare a list of nominees and submit it to the School Board for its approval.

C. Term of Office

1. Committee representatives will serve up to two years.
2. If a school site has difficulty recruiting a representative, the School Board may, at its discretion, reappoint a member for additional terms, providing such re-appointment is consistent with Sections I A. 6 above.

D. Leadership

1. The committee will annually elect a Chair, Vice-Chair and Secretary, unless appointed by the School Board.
2. The Chair will ask for nominations for office for the succeeding year at the last committee meeting. Nominations for all offices will be collected by the Chair and published to committee members.
3. The Chair will perform duties required by the Rules of Order. Vice-Chair will perform the duties of the Chair in his/her absence or incapacity. If, Vice-Chair is absent, the Superintendent/designee will perform the duties of the Chair in his/her absence or incapacity.

4. The Chair and Superintendent/designee shall jointly prepare agendas for the committee meeting.

III. FUNCTIONS
