RECOMMENDATION OF SUPERINTENDENT:

Approve.

BACKGROUND:

To conform to new Governmental Accounting Standard Board (GASB) Statement 54 and Policy 701.3, we are asking the School Board to approve Committed Fund Balance Categories. The actual dollar amounts for each category will be presented to the School Board for approval after completion of the 2018-19 fiscal year audit.

Definitions:

1. **Wellness** - The District established a committed fund balance in 2005-2006 for Tobacco Settlement Dollars. These funds were the District's portion of the state settlement with tobacco companies. In 2007-2008, the District committed these dollars for employee wellness programs. In 2009-2010, the District started receiving additional funds from our health insurance provider to continue the wellness program.
2. **Band Uniform and Instrument Replacement** - The District established a committed fund balance for high school uniforms and instrument replacement in 2004-2005. These funds are generated through fees and the net of fees and expenditures results in an adjustment to the commitment. Uniform replacement began in Fiscal Year 2012-2013.
3. **Staff Development** - this is a commitment to set aside unspent Staff Development funds.
4. **Athletics and Activities** - The District committed unspent Athletic and Activities dollars to differentiate between Athletics and Activities and K-12 operating funding.
5. **Site Department Carry-Over Funds** – This commitment is funds for site-controlled fees and/or donations.
