

# Criminal Justice and Law Enforcement

## Background

Career and College Academy is a unique option for students to explore or begin a career path during high school, graduate with industry-recognized certifications and begin earning post-secondary credits and job training.

- Free college courses.
- Free transportation from high schools.
- In-demand skills.
- Enter a career or go to college.

## Criminal Justice & Law Enforcement

Grades: 11 & 12.

Dual Enrollment/Concurrent Normandale Community College credits.

Partner: Normandale Community College.

Value of 1 NCC credit = \$190

## Trimester 1 & 2

**CT3010 Intro. to Criminal Justice/Law Enforcement.**

**No prerequisites.**

**Earn 2 HS elective credits and 3 NCC Credits**

The course provides an overview of the criminal justice system. It includes the historical development of law enforcement as well as an exploration of the components of the criminal justice system and the functions, jurisdictions, and interrelationships of various law enforcement agencies.

## Trimester 2

**CT3015 Police and Community.**

**No prerequisites.**

**Earn 2 HS elective credits and 3 NCC Credits**

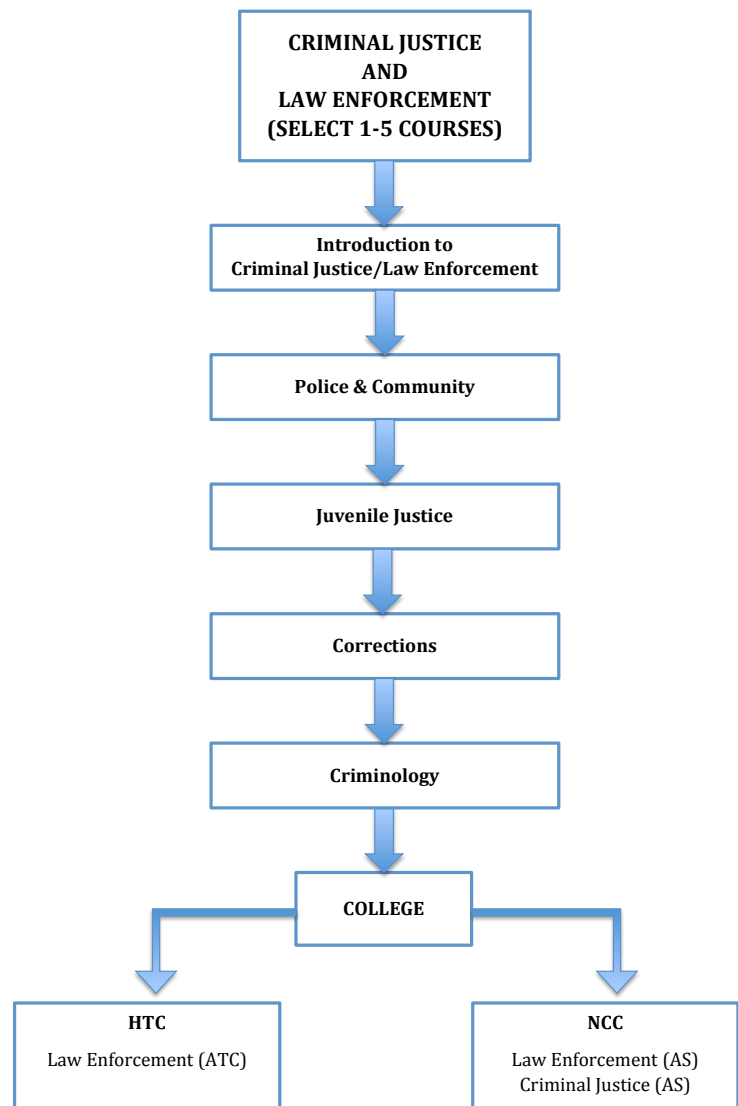

This course examines the interaction of peace officers with members/groups in the communities with a focus on minority groups and the application of community oriented policing principles. This course meets specific post-learning objectives for pre-service law enforcement students including community oriented policing philosophy, crime prevention, cultural diversity, bias motivated crime and the proper police response, domestic abuse and assault state mandates, ethics, police professionalism, and the use of discretion by the police.

**CT3039 Criminology.**

**No prerequisites.**

**Earn 2 HS elective credits and 3 NCC Credits**

An exploration of crime: the definitions of crime, the patterns that follow, and the prevalence of certain types of crimes. Factors that cause crime and society's response to crime are investigated. Also included: terrorism, religious extremism, spree killers and other recent trends.

## Trimester 3

---

### **CT3022 Corrections.**

**No prerequisites.**

**Earn 2 HS elective credits and 3 NCC Credits**

The course provides a sociological analysis of corrections and punishment in modern society, exploring the prison system, community based corrections, and alternatives to incarceration.

### **CT3011 Juvenile Justice.**

**No prerequisites.**

**Earn 2 HS elective credits and 3 NCC Credits**

The course provides an overview of theories of delinquency and the Juvenile Justice System. Special emphasis is on Minnesota Statutes, Rules for Juvenile Court, and Supreme Court cases which mandate how the Juvenile Justice System works in Minnesota. This course meets specific post-learning objectives for pre-service law enforcement students to understand what police officers are mandated to do when juveniles are victims or offenders, and how those laws are different from the adult criminal justice system.

### **CT3039 Criminology.**

**No prerequisites.**

**Earn 2 HS elective credits and 3 NCC Credits**

An exploration of crime: the definitions of crime, the patterns that follow, and the prevalence of certain types of crimes. Factors that cause crime and society's response to crime are investigated. Also included: terrorism, religious extremism, spree killers and other recent trends.

---
