

# CELEBRATING WITH PIZZA

Providing students with healthy food does not have to take the fun out of “Lunch with the Principal” or other celebration events. Smart Snack Compliant Pizza is available at the following Pizza Hut with 24 hour advanced notice and at the following Domino’s with one week notice.

## Pizza Hut

**Address:** 7844 Portland Ave, Bloomington, MN 55420

**Primary contact:** Adam Larson, 952-884-4851

If interested in utilizing Pizza Hut for pizza orders, Adam Larson would need 24 hours advanced notice to ensure that the product is prepped for the next day. If interested in setting up an invoice-based payment system, schools can order with Anna (651-453-1136). Otherwise, schools could pay with cash, check, or purchasing card. Tax exemption can be processed quickly at this store. A National School Lunch Program (NSLP) compliant pizza includes whole wheat dough, skim cheese, sauce, and NSLP approved pepperoni. Veggies can be added for an upcharge. One 14” pizza costs \$8, regardless of the size of the order. There is no delivery charge for schools. Pizzas can be delivered as early as 10:15AM.

## Domino's Pizza

**Address:** 427 American Blvd E, Bloomington, MN 5542

**District Manager:** Greg Lamia – 612-518-0023

If interested in utilizing Domino’s for pizza orders, Greg will be the primary contact until the schools have established a relationship with the Domino’s chain. He will need 1 week notice for every order. They sell the “smart slice” pizzas with approved whole wheat dough, sauce, part-skim cheese, and school-approved pepperoni. All pizzas are 14” (large) and contain 8 slices. Schools would need to order at least 10 pizzas to order the pepperoni variety because it comes in such large bags. Smaller orders would need to be cheese pizzas only. One pizza costs about \$10 (Greg did not have a guaranteed price to quote to me), but this cost may decrease as order size increases. Delivery cost varies through the school district but could be waived if Domino’s becomes the main NSLP approved pizza order destination for the school district. Deliveries can be made prior to Domino’s store hours in the morning if needed.
