

ONLINE, IN-NETWORK OPTIONS

Using your in-network benefits has never been easier

To satisfy the evolving needs of our members, we've added leading online in-network options to our roster of thousands of independent providers and top optical retailers.

ContactsDirect and Glasses.com are the next step in ensuring that you, as an EyeMed member, get fast, easy and convenient access to your benefits.

Order your contact lenses online, you'll avoid the wait at your retailer. Order your glasses online, you'll avoid the wait at your retailer. Order your contact lenses online, you'll avoid the wait at your retailer. Order your glasses online, you'll avoid the wait at your retailer.

ContactsDirect

- Order contact lenses and have them shipped straight to your door
- Use your vision benefits online to make shopping more convenient
- Your contact lenses will ship for free, once the prescription is verified

Glasses.com

- Access the award-winning 3D virtual try-on app
- Choose from a large selection of frames and lenses, including some of the world's leading brands
- Members can apply in-network vision benefits to their transaction

How convenient is that?
